DANGEROUS GOODS PETROL PACKAGE STORE (Storage container less than 500 litres in capacity)

PETROL PACKAGE PLACARD – DS WCSS018_3

This **Dangerous Goods Warning Placard** has the specified Dangerous Goods class label on a white background.

Material: Metal or Vinyl – 200mm x 200mm with the class label having 100mm sides.

- This **Petrol Package** placard shall be posted on the outside wall near each entry door to the fuel store but not to be obscured when the door is open.
- Alternatively the **Petrol Package Storage** placard shall be placed on a free standing post at the entry to the bund storage area.
- The **Petrol Package Storage** placard shall be displayed at a level so that it is visible from the direction of approach.
