DANGEROUS GOODS MIXED DANGEROUS GOODS PACKAGE STORE (Example only)

(Storage containers less than 500 litres or kg in capacity)

MIXED CLASS PACKAGE PLACARD (DS WCSS024_1)

Mixed stores of packaged dangerous goods shall be placarded with class and/or division labels to reflect the chemicals stored within.

This example of a **Dangerous Goods Package** placard has a white background with the specified Dangerous Goods class and/or division labels for **LPG**, **sodium fluoride**, **sodium hypochlorite** and **calcium hypochlorite** respectively.

Material: Metal or Vinyl – TBD (W) x 200 (H) with the other dimensions as indicated.

- A **Mixed Class Package** placard shall be posted on the outside wall near each entry door to the mixed store but is not to be obscured when the door is open.
- A **Mixed Class Package** placard shall be displayed at eye level so that it is visible from the normal direction of approach.

Note: Segregation of dangerous goods shall be undertaken in accordance with relevant Australian Standards.
