MIXED CORROSIVE CLASS PACKAGE STORE (Example only)

(Storage containers less than 500 litres or kilograms in capacity)

MIXED CORROSIVE CLASS PACKAGE PLACARD (DS WCSS024-2)

This **Mixed Corrosive Class Package** placard has the specified Dangerous Goods corrosive class label on a white background.

Material: Metal or Vinyl – 200mm x 200mm with the other dimensions as indicated.

- The **Mixed Corrosive Class Package** placard is required for multiple corrosive class 8 dangerous goods in a chemical storage area.
- The **Mixed Corrosive Class Package** placard shall be posted near each entry door to the store but is not to be obscured when the door is open.
- The **Mixed Corrosive Class Package** placard shall be displayed at eye level so that it is visible from the normal direction of approach.

Note: Segregation of dangerous goods shall be undertaken in accordance with relevant Australian Standards.
