HAZARDOUS CHEMICALS
SODA ASH FACILITY
(Also referred to as SODIUM CARBONATE)

SODA ASH STORE SIGN (DS WCSS051_1)

This Hazardous Chemical sign has white text on a lilac background. Material: Metal or Vinyl – 450 (W) x 300 (H) with the other dimensions as indicated.

The Soda Ash Store sign should be posted on the outside wall near the entry door(s) to the store, but not to be obscured when the door is open.

- The Soda Ash Store sign should be displayed at a level so that it is visible from the normal direction of approach.
