HAZARDOUS CHEMICALS
CITRIC ACID FACILITY

CITRIC ACID STORE SIGN (DS WCSS052_1)

This Hazardous Chemical sign has white text on a lilac background. Material: Metal or Vinyl – 450 (W) x 300 (H) with other dimensions as indicated.

- The Citric Acid Store sign should be posted on the outside wall near the entry door(s) to the store, but not to be obscured when the door is open.

- The Citric Acid Store sign shall be displayed at a level so that it is visible from the normal direction of approach.
