

Standard Signage for Treatment & Chemical Dosing Plants

HAZARDOUS CHEMICALS FACILITY

CHEMICAL WASTE TANK SIGN (DS WCSS055-1)

This **Hazardous Chemicals** sign has white text on a lilac background.

Material: Metal or Vinyl (note that the dimensions are dependent on the size of the tank, but the text shall be no less than 50mm in size).

- The **Chemical Waste Tank** sign shall be posted on the top of the waste tank.
- The **Chemical Waste Tank** sign shall be displayed at a level so that it is visible from the normal direction of approach.

Note: pictogram choice will be dependent on the chemical waste product composition.

i.e. some chemical waste may trigger the need for either a GHS corrosives or exclamation mark pictogram.
