

## Standard Signage for Treatment & Chemical Dosing Plants

### **BULK or PACKAGED STORES**

Fuming or noxious chemicals (e.g., Chlorine, Ammonia, CO<sub>2</sub>, Sulphuric, FSA etc.)

#### **DOOR OPEN SIGN (DS WCSS150)**

This **Hazard Warning** sign is in landscape format with standard warning symbol as per AS1319. The other text is black on a yellow background.

Material: Metal – 300 (W) x 225 (H) with the other dimensions as indicated.

- The **Door Open** sign shall be posted near each entry door(s) to the store containing a fuming or noxious chemical(s) but is not to be obscured when the door is open.
- The **Door Open** sign shall be displayed at a level so that it is visible from the normal direction of approach.

**Note:** If there is lack of space then place the sign on both sides of the door.
