

## Standard Signage for Treatment & Chemical Dosing Plants

### **BULK or PACKAGED STORES**

Fuming or noxious chemicals (e.g., Chlorine, Ammonia, CO<sub>2</sub>, Sulphuric, FSA etc.)

#### **FANS OPERATION SIGN (DS WCSS151)**

This **Hazard Warning** sign is in landscape format with a standard warning symbol as per AS1319. The other text shall be black on a yellow background.

Material: Metal – 300 (W) x 225 (H) with the other dimensions as indicated.

- The **Fan Operation** sign shall be posted on the outside wall and near the entry door(s) to the store (alongside the fan switch) but not to be obscured when the door is open.
- The **Fan Operation** sign shall be displayed at a level that it is visible from the normal direction of approach.

NOTE: This sign is not required when an interlock between the security system and the fans exists.
