

Standard Signage for Treatment & Chemical Dosing Plants

CHEMICAL INSTALLATIONS & PLANTS

CHEMICAL LINES SIGN (DS WCSS156)

This **Hazard Warning** sign is in landscape format with a standard warning symbol, 40mm black text on a lilac background.

Material: Metal or vinyl – 300 (W) x 200 (H).

- The **Chemical Lines** sign should be posted on the covers that have chemical lines traversing through them.
- The **Chemical Lines** sign should be positioned so that it is visible on normal approach.
