

Standard Signage for Treatment & Chemical Dosing Plants

CHEMICAL PLANTS or FACILITIES

COMMISSIONING SIGN (DS WCSS160)

This **Hazard Warning** sign is in landscape format with a standard warning symbol as per AS1319. The other text shall be black on a yellow background.

Material: Metal – 600 (W) x 450 (H) with the other dimensions as indicated

Design: Sign attached to a reversible 'A' frame with carry handle.

- The **Commissioning** sign should be placed near the equipment or area where the commissioning activities are being conducted.
- The **Commissioning** sign should be visible on the normal approach to the equipment or the building where the equipment is being commissioned.
- The **Commissioning** sign is a double-sided portable sign to provide visible warning from both directions of approach.
