

Standard Signage for Treatment & Chemical Dosing Plants

CHLORINATION SYSTEM

CHLORINE SOLUTION DOSING SIGN (DS WCSS166)

This **Hazard Warning** sign is in landscape format with white text on a lilac background. Material: Metal – 250 (W) x 180 (H) with the other dimensions as indicated.

- The **Chlorine Solution Dosing** sign may be required where chlorine in solution is dosed in a pit.
- The **Chlorine Solution Dosing** sign shall be posted on the pit lid or on a free standing post near the pit.
- The **Chlorine Solution Dosing** sign shall be displayed at a level so that it is visible from the normal direction of approach.
