

# Standard Signage for Treatment & Chemical Dosing Plants

## BULK OR PACKAGE CHEMICAL STORES

### STOP NO ENTRY CHEMICAL DELIVERY SIGN (DS WCSS253)

This **Prohibition** sign is a square sign with the standard prohibition symbol as per AS1319. The text is black on a white background.

Material - Metal 600 (W) x 600 (H) with the other dimensions as indicated.

Design: The sign is attached to a steel folding 'A' frame that locks into position when erected.

- The **Stop No Entry Chemical Delivery** sign should be placed at a reasonable distance from the front and back of the delivery vehicle during the unloading or loading of hazardous chemicals.
- The **Stop No Entry Chemical Delivery** sign is used to stop unauthorised personnel from entering the unloading or loading area.
- The **Stop No Entry Chemical Delivery** sign shall be displayed so that it is visible from the normal direction of approach.
