

# Standard Signage for Treatment & Chemical Dosing Plants

## CHEMICAL INSTALLATIONS & PLANTS

### EMERGENCY SHOWER & EYEWASH SIGN (DS WCSS306)

This **Emergency Information** sign has white symbols and text on a green background. Material: Metal – 450 (W) x 300 (H).

- The **Emergency Shower & Eyewash** sign shall be posted on the wall next to the shower unit or attached to an appropriate section of the shower.
- The **Emergency Shower & Eyewash** sign shall be displayed at a level so that it is visible from the normal direction of approach.

Note: Emergency safety shower & eyewash units shall be located at a distance of > 2m but < 7m on the same level as the hazard (i.e. chemical transfer (unloading) point, dosing pumps).
