CHEMICAL INSTALLATIONS & PLANTS

EMERGENCY SHOWER & EYEWASH SIGN (DS WCSS306)

This **Emergency Information** sign has white symbols and text on a green background.

Material: Metal - 450W x 300H.

- The **Emergency Shower & Eyewash** sign should be posted on the wall next to the shower unit or attached to the rear of the shower.
- The **Emergency Shower & Eyewash** sign should be displayed at a level so that it is visible from the normal direction of approach.

Note: Emergency safety shower & eyewash units shall be located at a distance of > 2m but < 7m on the same level as the hazard (i.e. chemical transfer (unloading) point, dosing pumps).
