

## Standard Signage for Treatment & Chemical Dosing Plants

### BULK or PACKAGE STORES

#### FIRST AID STATION SIGN (DS WCSS351)

This **Safety First Information** sign is in landscape format with the Safety First format being white text on a green background. The other text is black on a white background. Material: Metal or vinyl – 300 (W) x 225 (H) with the other dimensions as indicated.

- The **First Aid Station** sign should be posted on the door or outside wall near the door to the room where the first aid kit and instructions are kept.
- The **First Aid Station** sign shall be displayed at a level so that is visible from the normal direction of approach.

**Note:** The **First Aid Station** signs are commonly available at medium to large plants or installations as it has been noted that some smaller sites store first aid boxes in operator vehicles instead.
