

Standard Signage for Treatment & Chemical Dosing Plants

BULK or PACKAGE STORES

TEST SAFETY SHOWER PRIOR TO WORK SIGN (DS WCSS354)

This **Safety First Information** sign is in landscape format with the Safety First format being white text on a green background. The other text is black on a white background. Material: Metal or vinyl – 300 (W) x 225 (H) with the other dimensions as indicated.

- This **Test Safety Shower** sign is to be used when access to the safety shower can only be achieved by entering the hazardous area (i.e. a safety shower located in a bund or chemical store).
- The **Test Safety Shower** sign should be posted on a wall or posted adjacent to the safety shower.
- The **Test Safety Shower** sign shall be displayed at a level so that is visible from the normal direction of approach.

Note: This type of **Safety First Information** is commonly used at corrosive liquid chemical storage facilities.
