

# Standard Signage for Treatment & Chemical Dosing Plants

## **BULK or PACKAGE STORES**

### **CHECK PPE PRIOR TO WORK LABEL (DS WCSS356)**

This **Safety First Information** label is in landscape format with white text on a green background.

Material: Vinyl - 400 (W) x 75 (H) with the other dimensions as indicated.

- This **Check PPE Prior to Work** label is intended as a prompt for operations personnel to evaluate their PPE choice, before accessing an area behind barrier protection.
- The **Check PPE Prior to Work** label shall be posted on a dosing cabinet or other area protected by barrier protection. It shall not obscure critical equipment behind barrier protection.
- The **Check PPE Prior to Work** label shall be displayed at a level so that is visible from the normal direction of approach.

**Note:** This type of **Safety First Information label** is commonly used at corrosive liquid chemical storage facilities.
