CHEMICAL CONTAINER OR EQUIPMENT STATUS LABELS (DS WCSS400-1-2-3-4)

These **Status** labels are rectangular with red 75mm text on a white background.
Material: Vinyl / Magnetic – TBD (W) x 100 (H).

- The **Chemical Container or Equipment Status** labels should be prominently displayed on chemical containers such as chlorine, ammonia, carbon dioxide etc. to indicate their current status.
- Alternatively, the **Chemical Container or Equipment Status** labels may be used to indicate the operating status of other equipment related to the chemicals such as chlorinator and evaporators.
- The **Chemical Container or Equipment Status** labels should be displayed so that they are visible from the normal direction of approach.
