METRO MODULE SECURITY SIGN (DS WCSS502)

This **Security Warning** sign is in landscape format with a standard warning title block with yellow text on a black background at the top of the sign. The middle text block shall be white text on a dark blue background. The base background of the sign is white with black text and the standard Water Corporation logo on the bottom section.
Material: Metal or Vinyl – 300 (W) x 225 (H) with the other dimensions as indicated.

- The **Metropolitan Module Security** sign should be posted adjacent to any alarmed door (just above door handle height), either on the door or on the wall adjacent to the door.

- Additional **Metropolitan Module Security** signs shall be posted on the centre of each outside wall at approximately 1.5 m from the base of the module so that it is clearly visible on approach.
