

DS61 Water Supply Distribution – Tanks

Type Drawings

NO.	ISSUE	DESCRIPTION
FW65-30-1	A	RC Tank General Arrangement
FW65-30-2	A	Steel Plate Tank General Arrangement
FW65-30-3	A	Prestressed Concrete Tank General Arrangement
FW65-30-4	A	Fibre Reinforced Plastic Tank General Arrangement
FW65-30-5	A	Sheet Steel Tank with Liner General Arrangement
FW65-30-6	B	Megaflow Tank Drainage System
FW65-30-10	C	RC Tank Floor Outlet
FW65-30-11	C	RC Tank Overflow and Scour
FW65-30-20	I	Hatches and Roof Platform – Elevations, Plan and Details
FW65-30-21	A	Hatches and Roof Platform – Ventilation Hatch Plan Guard Rail and Davit Mounting Details
FW65-30-22	F	Access, Vent and Emergency Hatch Covers – Plan, Sections and Details
FW65-30-23	H	Access and Control Hatch – Plan, Sections and Details
FW65-30-26	C	Typical Roof/Facia Details
FW65-30-27	A	Typical Ground Level Entry
FW65-30-30	H	External Ladder Height to 3 m, Elevation, Sections and Details
FW65-30-40	E	Internal FRP Ladder – Elevation and Section
FW65-30-41	E	Internal FRP Ladder No Platform – Elevations, Sections and Details
FW65-30-44	B	Internal Stairs Platforms and Ladders for Steel Tanks – Plan, Elevation and Section
FW65-30-50	G	General Notes –Roof and Access
		Other reference drawing, not in DS61
GX54-7-1	C	External Stairways – First Platform Level Security Barrier
GX54-7-2	C	External Stairways – Ground Level Security Barrier
GX54-7-3	E	External Stairways – Fenced Compound and First Platform Level Security Barrier
