OSH Performance Statistics

Supplier Portal – Quick Reference Sheet

Overview

This Quick Reference Sheet (QRS) demonstrates how to enter OSH Performance information through the Water Corporation's supplier portal.

When entering into Contracts and Agreements with the Water Corporation, you may be required to submit statistical information in relation to Occupational Safety and Health (OSH).

Things You Need To Know

- Compliance with the Handbook for Contractors forms part of your contractual requirements with the Water Corporation. Please refer to the <u>Health Safety and Environment (HSE) Requirements for Contractors</u> for further information.
- For more information on the Occupational Safety and Health procedures and requirements that apply to contractors, please refer to the <u>Health Safety and Environment (HSE) Requirements for Contractors</u> web pages.

Features Covered

Enter OSH performance statistics

Enter OSH performance statistics

1. From the **Supplier Transactions** menu, click OSH Performance Statistics.

The **OSH Performance Statistics** screen displays.

This screen defaults to show the last three months that OSH Statistics were required to be submitted.

Note: You can remove the dates and click search to view previous month's statistics.

2. Select the contract by clicking grey box to left of the line.

The OSH Performance Statistics screen displays.

Report only statistics relating to work performed on Water Corporation's sites for this contract (for the month). This information should include sub-contractors.

Note: Do not include work on your own or sub-contractor's premises.

3. Enter **zero (0)** if you have no injuries, hours or incidents to report.
