## Create Variation Claim eProcurement - Quick Reference Sheet

### **Overview**

This Quick Reference Sheet (QRS) describes how suppliers can raise a claim in connection with the subject matter of a contract.

Once the Variation Claim is entered into eProcurement and submitted for assessment, the Superintendent, Superintendent's Representative or Principal's Representative as appropriate to the form of contract assesses the claim and changes the status

#### Things You Need To Know

Users can **Save** the claim if necessary and submit at a later time.

#### **Features Covered**

- Access the Variation Claim Transaction
- Attach Supporting Information
- Save or Submit the Claim

### **Access the Variation Claim Transaction**

1. From **Supplier Transactions** menu click **Variation Claim**.

| Supplier Transactions      |
