Attachments to the Trade Waste Application

Provide a copy of a hydraulic/plumbing services plan and one copy of a site layout plan for the property indicating **each tenancy** that is connected to the shared grease arrestor(s). More complex sites may need multiple sets of both hydraulic/plumbing services and site layout plans covering different parts of the site.

Note: Submission of this application does not infer any right to discharge, nor does it infer that approval to discharge will be granted.

Please email the completed application to: tradewaste@watercorporation.com.au
