PROGRAM MANAGEMENT	PROGRAM MANAGEMENT																											
Waterwise Council Reporting	Report submission period for new Waterwise Councils or Re-endorsements	Waterwise Councils must submit an annual re-endorsement report or, complete a Waterwise Counci Action Plan (WCAP). Ensure your reports are submitted by the end of October.	I				$\prod$											NI CO	OPEN						DUE		$\prod$	
	Water data report period	To submit your reports you need to assess & document your LGA's potable and non-potable water data. Water Corporation Corporate & Community water data:  WEpartnerships@watercorporation.com.au.  Groundwater & licences need to be requested separately from DWER: waterwise@dwer.wa.gov.au	ı																									
	Report assesments	Water Corporation and Department of Water and Environmental Regulations assess all reports and judge Platinum Council applicants.																										
	Endorsement letters	Confirmation sent to Waterwise Councils of Endorsement status (Re-Endorsed, Gold, Platinum, 10 yr council)																										
Waterwise Greening Scheme	Expressions of Interest submission period	Opportunity for Waterwise Councils to receive up to \$10,000 of co-funding each year to support waterwise greening initiatives.  Ensure your EOI's are submitted by the end of December.																Nido	OPEN									LOINIE
	Report submission period	If you've been pre-approved and T&Cs signed, you must submit a report before co-funding is provided Greening initiatives must be completed before April.  All documents and invoices due end of April.	i.								i c	DUE																
	Report assessment and processing period	Submitted reports, documents and invoices will be assessed to ensure they meet all T&C's before confirming your co-funding payment.																										
	Final co-funding payments	After Water Corporation verifies your report/s, we will process your eligible Waterwise Greening Schem claim and make payment.	ie																									
EVENT MANAGEMENT																												
Waterwise Forum	Held during National Water Week and hosted by the Minister for Water, this event is designed as a professional development opportunity and provides our LGA's and Waterwise Program participants opportunity to network with peers and industry, learn about the latest waterwise case studies, innovations, projects and initiatives to inspire your own waterwise journeys.																											
Waterwise Recognition Breakfast	An event co-hosted by DWER and the Minister for Water that recognises LGA's, businesses and organisations participating in our Waterwise Programs who are making a valuable contribution to achieving excellence in water efficiency. Promotes, celebrates and awards new endorsed, new Gold, 10 year councils and Platinum winners who are leaders in water efficiency.																											

<sup>\*</sup>Dates to be confirmed every year. Program subject to change
