

Dayton to Caversham water upgrades

Notice of Proposal

To improve the water supply in the area Water Corporation are proposing to construct 1.5km f new water pipeline in Dayton and Caversham within the City of Swan.

Subject to obtaining all necessary approvals, the proposed work is scheduled to commence September 2023 and will take approximately 6 months to complete.

Construction of the new pipeline will be via open trench and trenchless technology, upon completion of the works all impacted areas will be reinstated.

Please refer to the instructions below or in the attached letter if you would like to raise any objections to the proposed work.

Any objections to the proposed works will be considered if lodged in writing and addressed to the Project Manager - Mr Andrew Hua, Water Corporation, PO Box 100, Leederville, WA, 6902, within 21 days from the date of issue of the accompanying letter.

For further information on the project about the proposed work please see:
