

Ellenbrook to Wangara wastewater pipeline

City of Wanneroo and City of Swan

Notice of Proposal to construct a wastewater pipeline

As part of wider plans to cater for population growth and development in Perth's north-eastern suburbs, Water Corporation is planning to install:

- Approximately 6 km of 900 mm diameter wastewater pipeline
- Approximately 8.2 km of dual 600 mm diameter wastewater pipeline

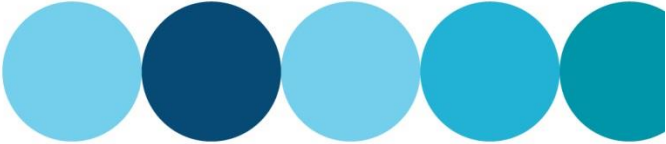

The location of the proposed work near your property is shown on the map.

Refer overleaf for a map of the whole pipeline route.

Subject to obtaining all necessary approvals, the proposed work is scheduled to commence in mid-2023 and will take approximately 18 months to complete.

A copy of this Notice of Proposal is also available on the project webpage by searching 'Ellenbrook to Wangara wastewater pipeline'.

Any objections or comments on the proposed work can be made in writing to the Project Manager, Rob Kneebone, at Rob.Kneebone@watercorporation.com.au or PO Box 100, Leederville WA 6902 by **Friday, 2 December 2022** clearly stating your reasons for the objection.
