

Water upgrades – City of Cockburn

Jandakot and Treeby

Notice of Proposal to construct a new 2.6 km water pipeline

To cater for the growth forecast in the developing area of Jandakot and Treeby, Water Corporation is planning to install a new 2.6 km water pipeline. The location of the proposed work is shown on the map.

Subject to obtaining all necessary approvals, the proposed work is scheduled to commence in late 2022 and will take approximately eight months to complete.

Construction will be carried out mainly through open trench excavation. Impacted areas will be reinstated upon completion of the work.

Please refer to the instructions in the attached letter if you would like to raise any objections or concerns about the proposed work.
