

Ashby wastewater upgrades

Notice of Proposal

To cater for future growth in Ashby, Water Corporation is proposing to construct a 365m wastewater pipeline. The pipeline will run along the City of Wanneroo's depot, and along Lautrec Loop.

Subject to obtaining all necessary approvals, the proposed work is scheduled to commence early-2025 and with an estimated completion date in mid-2025.

Construction of the new pipeline will be mixed using open trenching, an underground drilling method and pipe bridge support, upon completion of the works all impacted areas will be reinstated.

Please refer to the instructions below or in the attached letter if you would like to raise any objections to the proposed work.

Any objections to the proposed works will be considered if lodged in writing and addressed to the Project Manager – Francois Remond, Water Corporation, PO Box 100, Leederville, WA, 6902, or via email at Francois.Remond@watercorporation.com.au by Friday 23 February, 2024.
