

Metropolitan Wastewater: City of Wanneroo - Neerabup

NOTICE OF PROPOSAL TO CONSTRUCT A WASTEWATER PUMPING STATION AND 355/400mm DIAMETER PRESSURE MAIN

To provide for the disposal of wastewater in the City of Wanneroo the Water Corporation proposes to construct:

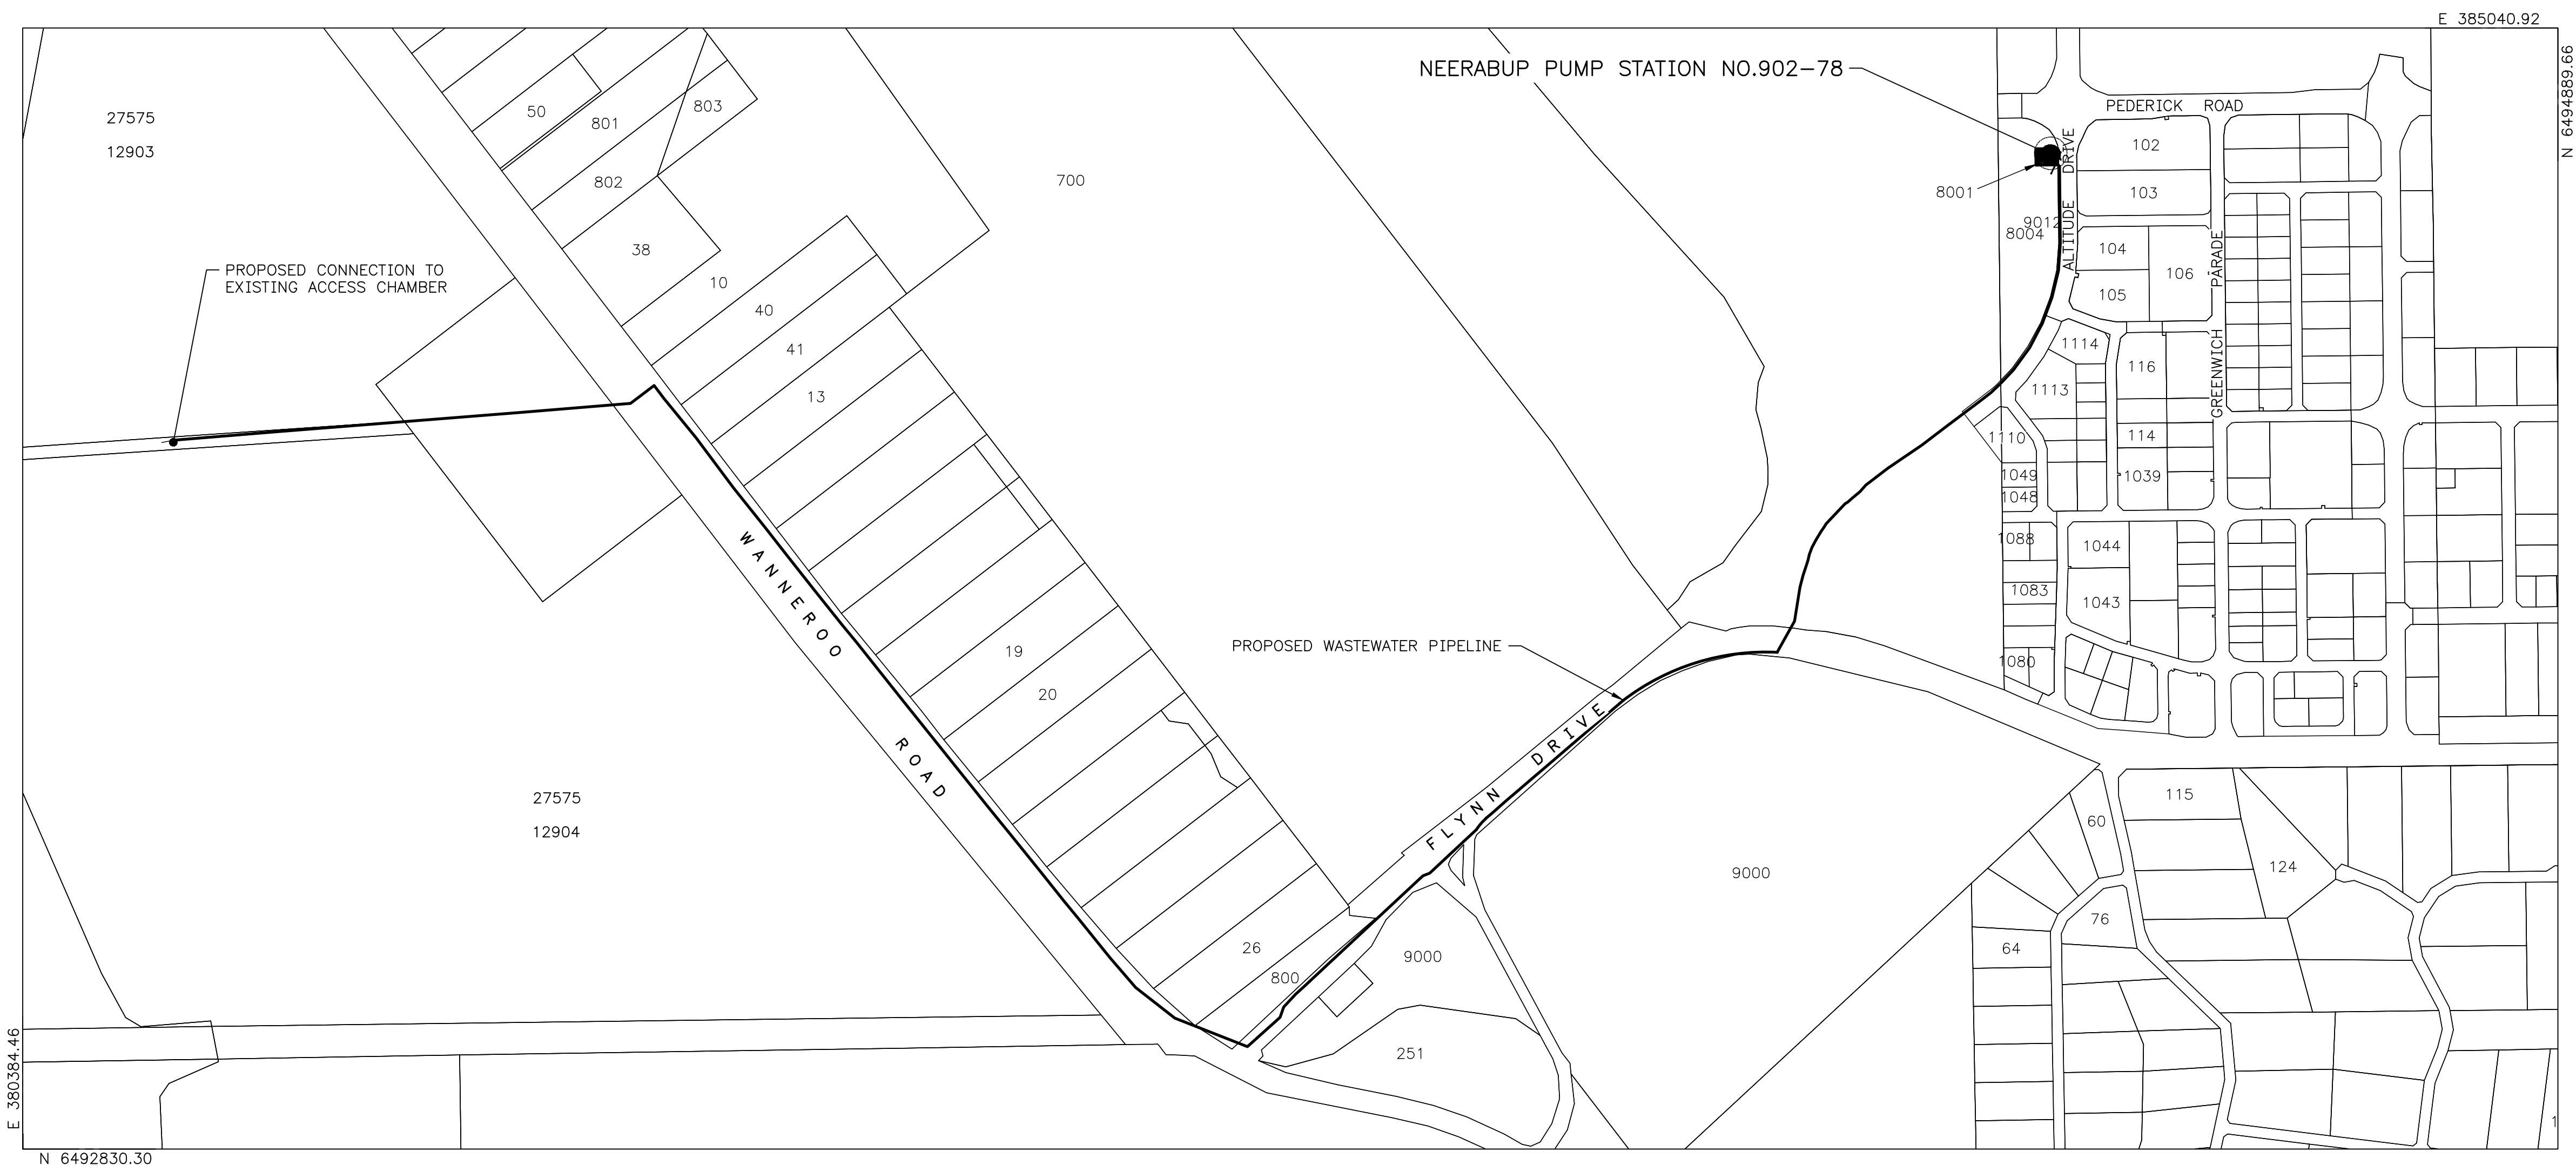

- A wastewater pumping station and associated pipework and access chambers
- 355/400mm diameter pressure main approximately 4,900m long complete with fittings and connections

The location of the proposed work is as shown on the plan.

Subject to obtaining all necessary approvals, work is scheduled at this stage to start in September, 2024 and is expected to take 44 weeks to complete.

Further information may be obtained by contacting the Project Manager, Josh Dsouza telephone 9420 2128 during office hours or by email at Josh.Dsouza@watercorporation.com.au.

Objections to the proposed work will be considered if lodged in writing to the Project Manager, Josh Dsouza, P.O. Box 100, Leederville, WA 6902, within 21 days of the date on the enclosed letter.
