

# WATER SUPPLY IMPROVEMENTS: SHIRE OF GINGIN

## NOTICE OF PROPOSAL TO CONSTRUCT 7,400m OF 150mm NOMINAL DIAMETER WATER TRANSFER MAIN

**SITE PLAN**  
SCALE ①

To improve the reliability and quality of the water supply in Guilderton and Sovereign Hill, works are required to install 7,400m of new water main between Guilderton Water Treatment Plant and Sovereign Hill tank, and water treatment, mechanical and electrical upgrades to the Sovereign Hill and Guilderton schemes. The location of the proposed works is shown on the plan.

The proposed transfer main will primarily be installed below ground by means of open trench excavation, which will be backfilled and restored. A section of the transfer main below Indian Ocean Drive will be installed using trenchless methods.

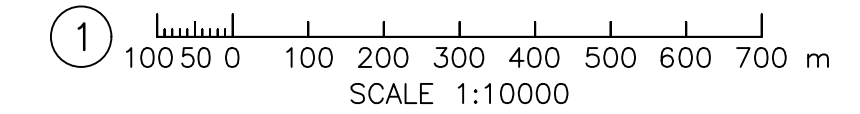

The proposed pipeline work is planned to commence in October 2025 and be completed in eight (8) months.

If you wish to obtain further information regarding this project, please contact the Project Manager, Michelle Ye, on (08) 9420 2952, during office hours or via email at michelle.ye@watercorporation.com.au.

Objections to the proposed works will be considered if lodged in writing to Project Manager Michelle Ye, Water Corporation, PO Box 100, Leederville WA. 6902 within 21 days of the date of the accompanying letter.
