

Service location

Pipes for Perth – East Fremantle Stage 2

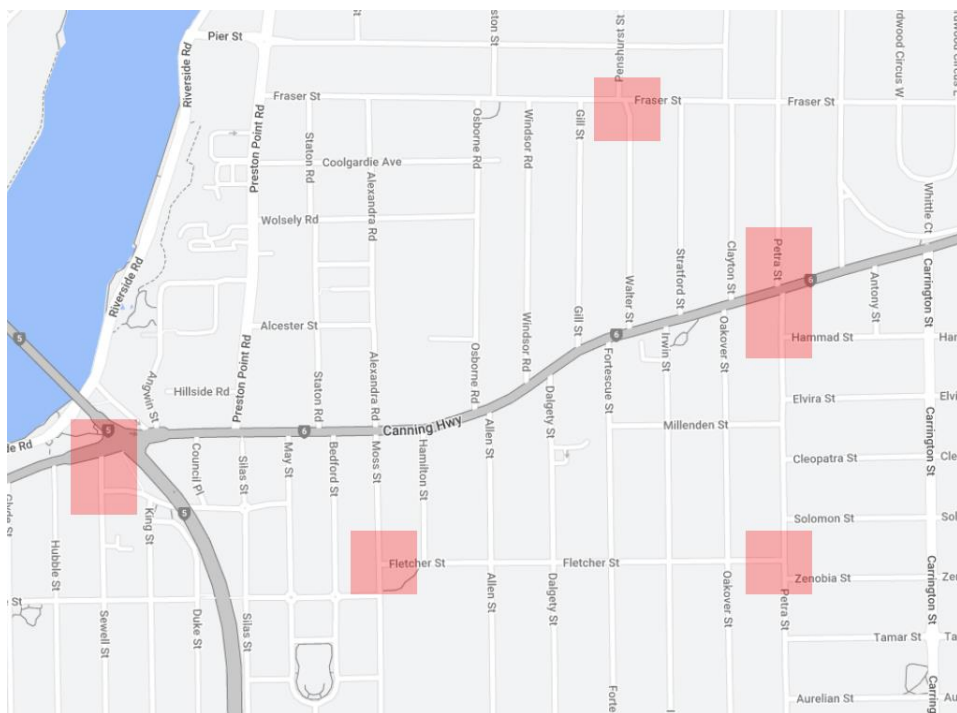

Our authorised contractor DM Civil will soon begin work on Stage 2 works to install a new watermain along Petra St, at the intersection of Canning Highway, between Hammad St and Bicton Centre Shopping Centre. As part of these works service location needs to be carried out.

Where and when will the service location be happening?

From **22 May to 29 May 2023**, we will be carrying out investigations at the following locations **Petra Street, Sewell Street, St Peters Road, Moss Street, Fletcher Street, Fraser Street and Canning Highway**.

To ensure works can be completed as efficiently as possible and to minimise impacts on traffic, works will be carried out between **7am - 6pm** or between **9pm-6am** on the nights indicated below. We're working at night to minimise impacts on traffic and to ensure the safety of our workers. In the event these works need to be rescheduled due to weather conditions or other circumstances outside of our control, we will update this notification.

What will the impacts be?

Road closures and traffic interruptions:

- Temporary traffic and speed restrictions will apply in the vicinity of the works.
- Signage will be in place to alert road users to the changes in traffic conditions. Road users are advised to take care when travelling through the area.
- Short-term lane and footpath closures will be required to complete this work.
- Entry and exit to the shopping precincts will remain open between 6am-9pm.
- Residents and businesses impacted by works will have traffic controllers in place to help with access to driveways.

Water supply interruptions: There will not be any water supply interruption to businesses or residents for service location works.
