

Water Supply Improvements – City of Perth

Notice of Proposal to install 340m of 400mm diameter water main

Water Corporation proposes to construct 340m of 400mm diameter below ground water main.

Work will improve water supply to East Perth and surrounding areas.

The proposed below ground pipe will be installed using mainly open trench excavation along Wittenoom St. The location of the proposed work is shown in the drawing.

The proposed work is currently scheduled to begin in February 2022 and will continue for approximately two months, subject to approvals.

If you have any queries, please contact Project Manager, Derek Duffy, on (08) 9420 3276 or Derek.Duffy@watercorporation.com.au.

Any objections, comments or questions on the proposed work can be made in writing to the Project Manager, Derek Duffy, at PO Box 100, Leederville WA 6902 or via email at Derek.Duffy@watercorporation.com.au by close of business 27 October 2021 fully stating your reasons for the objections.
